ALEXANDRIA IS READY FOR SUNDAY PARADE

Children Representing Majority of Sabbath Schools in City to Participate.

TWENTY CHARTERS REVOKED

Alexandria, Va., Oct. 9.—Practically all arrangements have been completed for the Sunday school parade and song festival which will be held at 3 o'clock Sunday afternoon. Children representing the majority of the Sunday schools in the city will participate. Music will be furnished by the Alexandria Musical Association and the American Indian Guard Band.

The parade will be reviewed from a stand at Washington and Cameron streets by the ministers of the city and the mayor. At the stand there will be singing and an address by a Washington minister.

Scholars from the various schools will be grouped around the stand in colors representing the hues of the rainbow. Banners, many of them very attractive, will be carried by the representatives of the various Sunday Schools participating.

Christopher Dodson, fifty years old, died this morning at his home, at Fairfax County. Several children survive. His funeral will take place at 3 o'clock Sunday afternoon from his late home.

The funeral of Thomas H. Morton, the freight brakeman who was killed at the Potomac Railroad yards yesterday, will take place at 1 o'clock tomorrow afternoon from Wheatley's undertaking chapel.

Miss Augusta F. Parrott's funeral took place this morning from her late home, 312 Cameron street. Services were conducted by Rev. Dr. John Lee Allison, pastor of the Second Presbyterian Church.

The funeral of Florence R. Smyth took place at 2:30 o'clock this afternoon from her late home, 305 South St. Asaph street. Services were conducted by Rev. W. J. Morton, rector of Christ P. E. Church, and burial was in St. Paul's Cemetery.

The State corporation commission has revoked the charters of twenty concerns operating under the laws of the State of Virginia, but whose principal business is carried on in Washington. This action was taken for failure to comply with the State laws regarding incorporated companies in making returns.

The Alexandria County People's Hall, incorporated, of Cherrydale, Alexandria County, with a capital stock of \$500 has been granted a charter by the State corporation commission. Its purposes are to erect and maintain a hall for public entertainment.

Rally day services for men and boys were held tonight in the Westminster building of the Second Presbyterian Church, at which addresses were made by Rev. James H. Taylor, and H. S. Omohundro, both of Washington.

An informal dance was given tonight by a number of members of the Alexandria German Club in the hall of the New Richmond Theater.

SENATE IN THE 'MOVIES.'

Vice President Marshall and Others

Hear Scenes for Camera Men.

Moving picture men made a descent on the Senate Chamber shortly before noon yesterday, and pulled out a dress rehearsal of the opening of the Senate. It was not necessary to impersonate any of the dignitaries who figure daily in the exercises of the Senate, for the Vice President, the Chaplain, several Senators, the reading clerk, and the pages all considerably posed for the scene.

At a given signal, the Vice President marched in from his room, followed by the Chaplain and attended by the Sergeant-at-Arms. The Vice President ascended to his desk, rapped for order, directed the Senate Chaplain to offer prayer, and that officer went through the ceremony of raising his hands clasped and apparently repeating an invocation.

Senators Lee, Chamberlain, and a few others sat at their desks and offered resolutions which were received by the reading clerk. Later the moving picture men took the Senate press gallery in action. Other scenes will be taken of the various government officers, and the pictures will be used to illustrate a lecture on the Senate given at the Washington, which a well-known newspaper correspondent is preparing to deliver.

UNABLE TO SELECT STYLE OF MARBLE

Commission Having Charge of Plans for Red Cross Building Shifts Responsibility.

Secretary of War Garrison and his commission, which has in charge plans for building a new Red Cross building, met yesterday to consider bids for the work. Members of the commission, who were to select the sort of marble to use, as several proposals were nearly identical, so they referred the question to the Fine Arts Commission, which was meeting at the same time across the street from the War Department.

The Fine Arts Commission considered the question at its meeting, and will report to the department Monday.

Many bids were submitted by request of the department three months ago. It was planned to select the award yesterday. Members of the commission, of which Miss Mabel Boardman, of the American Red Cross, is a member, thought it better to let the Fine Arts Commission decide which marble would be at the same time the most beautiful and most harmonious with other government buildings at the entrance to Potomac Park, where the new building is to be erected.

As it is expected to be made immediately on the announcement of the decision of the Fine Arts Commission.

JAPAN PEACEFUL, HE SAYS.

Japanese Attaché in Berlin Declines Jungo Talk in United States.

Count Sano, until recently naval attaché of the Japanese Embassy at Berlin, arrived in Washington yesterday, accompanied by Countess Sano, for a short visit.

"Japan," said Count Sano, "is not seeking war with any nation, least of all with the United States. The Japanese regard Americans as their friends, and our only war against America might be a war for commerce, and all nations in time of peace are engaged in such a struggle."

"I have been in Berlin for three years and enjoyed myself hugely until the unfortunate war came. We were not treated with the courtesy we were entitled to. We were accorded every courtesy when we left the German capital."
